By John Fogerty; two new verses added by Lew Toulmin, 10/2020; for bari uke  
Strum: Island (D DU UDU) or simple (DUDU) or Calypso/Bernie (DDUUD)

**Intro:** Am //// F //// G //// C //// C ////

[C] Someone told me long ago, there's a calm before the storm

[G] I know, it's been coming for [C] some time.

When it's over so they say, it'll rain a sunny day

[G] I know, shining down like [C] water.

### CHORUS

[F] I wanna [G] know, have you [C] ever seen the [Am] rain?

[F] I wanna [G] know, have you [C] ever seen the [Am] rain?

[F] Comin' [G] down on a sunny [C] day?

[C] Yesterday and days before, sun is cold and rain is hard

[G] I know, been that way for [C] all my time.

Til forever on it goes, through the circle fast and slow

[G] I know, it can't stop, I [C] wonder why? **CHORUS**

[C] They all say that this will pass, and the stars will shine at last

[G] I know, they've been "sayin'" [C] all my time.

But the flooding never stops, it'll drown the mountaintops,

[G] I know, that shoreline is [C] in the past. **CHORUS**

[C] Flooding, fires and hurricanes, melting ice and endless rains

[G] I know, they've been coming for [C] some time.

In the sky's a tornado, and the wind begins to blow

[G] I know, but please oh where [C] can we go?

### FINAL CHORUS

[F] I wanna [G] know, can we [C] ever stop the [Am] rain?

[F] I wanna [G] know, can we [C] ever stop the [Am] pain?

[F] Comin' [G] down like a pourin' [C] rain?
