

## **Off We Go, into the Wild Bird Guano!**

Llewellyn Toulmin

July 2017, on the Nikumaroro TIGHAR Amelia Earhart Search

Off we go, into the wild bird guano,  
Trowel boys, give 'em the gun!  
We will play screeners like pianos,  
As we scorch, under the sun!

We will dig, a hole through to China,  
Following Piper down to hell,  
We'll rig, we'll dig, we'll swig, we'll pig,  
Our TIGHAR team is really, really swell!
