Intro: **G C F G**

Fare [G] thee well, my [C] lovely [G] Dinah, a thousand [C] times a-[G] dieu.
For we're goin' [C] away from the [F] Holy Ground, and the [C] girls we all love
[D7] true.

We'll [C] sail the [G7] salt seas [C] over, but we'll re- [Am]turn for [F] sure,
[G] To see [F] again the [Am] girls we love, and [C] the Holy [G7] Ground once [C]
more. **(Shouted)** Fine girl you are!

(Chorus) [C] You're the girl [Am] I do a- [F] dore
And [F] still I live in [Am] hopes to see
the [C] Holy [G7] Ground once [C] more. **(Shouted)** Fine girl you are!

We're [G] on the [C] salt sea [G] sailing, and you [C] are safe [G] behind
Fond [C] letters I will [F] write to you, the [C] secrets of my [D7] mind
Fond [C] letters I will [G7] write to [C] you, [Am] the girl I do [F] adore
[G] And still I [F] live in [Am] hopes to see, [C] the Holy [G7] ground once [C] more.
(Shouted) Fine girl you are! **(Chorus)**

And [G] now the [C] storm is [G] raging, and we are [C] far from [G] the shore,
And the [C] poor old [F] ship is a-tossing about, and the [C] rigging is all [D7] tore.
[C] The night is [G7] dark and [C] dreary, and the [Am] wind and waves do [F] roar,
[G] but still I [F] live in [Am] hopes to see, [C] the Holy [G7] ground once [C] more.
(Shouted) Fine girl you are! **(Chorus)**

And [G] now the [C] storm is [G] over, and we [C] are safe and [G] well
We'll [C] go into [F] a public house, and [C] we'll sit and drink like [D7] Hell.
[C] We will [G7] drink strong ale & [C] porter, and [Am] make the rafters [F] roar,
[G] & when our [F] money is all [Am] spent, we'll [C] go to [G7] sea once [C] more.
(Shouted) Fine girl you are! **(Chorus)**
